PAINT PROTECTION FILM
PRO SERIES

Scotchgard® Paint Protection Film is a virtually invisible film that helps protect vulnerable painted surfaces from daily wear and tear.

-  **Door Edges**
Protection from paint chips caused by opening your door in to walls, gas pumps, other vehicles, etc.
-  **Door Cups**
Protection from scratches caused from fingernails, jewelry, keys, etc.
-  **Trunk Ledges**
Protection from scratches caused from luggage, grocery bags, golf clubs, etc.

Enhance the resale value and keep your vehicle looking newer longer.

Vertical Banners are 24" wide x 60" tall. These include grommets on the corners and can be hung on your wall as is, or you can add the optional mount on the right.

Retractable, pop-up banner stand.
