RE: 3M Marketing - Taylor Communications Access

Subject: 3M Marketing - Taylor Communications Access

Hi

Your request for access has been received and we will need additional information to complete your profile – username: . Please let me know the company name of your Distributor and from the list below, let me know the types of products you will be ordering:

- Automotive Window Film
- Flat Glass
- Prestige (will require 3M verification – may be a delay in access)
- Paint Protection Film (will need Certified License Number)
- Chemical and Aftermarket

After all information has been collected your profile will be completed and you will receive a welcome email. Your profile is only active after you receive the welcome email. Thank you!

Pamela

SELF-HEALING DEMO UNIT

Ordering Unit: 1/EA

This self-healing demo unit was designed for use at new car dealerships or installer shops. Scratch the painted hood with the wire brush that is protected with Scotchgard(TM) Paint Protection Film Pro Series. Press the button and watch the scratches disappear as the hood is heated! The unit also has a literature holder mounted on the back to hold 50 of the tri-fold brochures. Measures: 18" wide x 11" deep x 14" tall
